

Unauthorized Audio/Video Recording

**NO RECORDING
NO LIVE-STREAMING
NO PHOTOGRAPHY**

MemorialCare is committed to ensuring the utmost safety and privacy of our patients, staff, & providers. Recording or photographing without explicit consent of all involved parties is a violation of California law.

To uphold these standards, unauthorized recording of staff and/or patient care is not permitted at any MemorialCare entity.

MHS Policy CIA 403: Photography, Videography, & Audiography

Any photography, videography, & audiography taken by patients, family members, friends, or visitors may not include MemorialCare employees, volunteers, or medical staff without their consent. Any recording of medical treatment is generally not permitted.
